Refreshment for a Thirsty Soul  
9/27/07 Issue 11

Dear Jon,

**Thursday: 9/27/07**

**Colossians 3:16, "Let the Word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God."**

In our interaction with others, it's so important to have something of value to share! This verse encourages us to let the truth of the Bible have the "run of the house" in our lives so that when we have an opportunity to share with others, we're full of His Word.

#### **Domino Idea:**

Read the Psalm of your choice and think about it through the day. Look for a chance to share what God showed you---at work or the dinner table.

#### **Responses from our community.**

It's been so amazing doing the prayers 4 times a day: God has been drawing my friends to me for guidance in their lives so I can minister to them on His Will verses their own. Also, we have the map of our neighborhood on the fridge to pray over, and just this morning we took our dog, Roxy, for a walk and we met one of the neighbors that has lived there since the 70s. So we exchanged emails and she knows most of all the neighbors on our block!! Amazing how God opens doors as soon as we pray!!

Thank you for every creative idea! I still need to buy snacks for the office, but we did get to have an office lunch yesterday, so we got to all hang out for ½ hour together!

Keep feeding our spirits!!

What a wonderful time we had at the progressive dinner. Many thanks to all who worked so hard to make it such a special time. Finding out how many really cool people we have at SWC.

Roberta

I really love this first of the series email. This says it all. And the scripture is one I have gone to often to remember why I am here. Yes, I need this encouragement to be available to my neighbors and everyone that God brings into my day.

Lord; please do not let me hold back your love or your Presence. I have a wonderful Jewish neighbor who has a brother who is a believer now. Bob and Gene and I will be thrilled when his sister, Charlene accepts her Messiah.

Have a blessed week!!

Olivia

Because He truly gave us the authority and ministry to heal the sick, I ask for boldness in the Holy Spirit to go forth and do His will in His love.

Vicki
